TOTAL

TO CALCULATE SHIPPING: Divide total amount of ITEMS ordered by 10, round up. Multiply that number by the shipping amount in associated category above for shipping total. For example: Order for 36 CNA Skills Study Guides going to Texas = 36/10 = 3.6 - round up to 4 x 23.95, total \$95.80 shipping Or 1 set of Banners going to New York = \$30.95 shipping. These charges are for **bulk orders going to a single location**. To ship kits separately, call for a quote.
